FIRST CLEAN SURCHARGE

£20

A First clean will be charged a First clean surcharge of £20 (£10 CC PRICE) on top of the Invoice, this will include the use of our products for the first clean and because a first clean can be challenging and harder to accomplish a professional finish.

Sometimes a first clean can take up to an hour longer than anticipated, we hope you are happy to be flexible and understand. If it takes even longer than the additional hour, we will contact you to find out if you are happy for us to work until finished and invoice you or to leave it until the next clean where the Technician will start where they left off. I highly recommend booking a deep clean of your home every four to six months to ensure it is kept sanitary.

CLEANING PRODUCTS

We ask that the clients supply all necessary cleaning products for their home. This ensures that we are using the correct products for the wide variety of surfaces (wood, slate, marble, tile, etc.) that your home may have. Most of these products you probably already have, if not we have a great selection in our [shop](#).
